

NEWS OF STRATHCOONA

HERE IS EXAMPLE FOR
EDMONTON COUNCIL

Major Davies, of Strathcona, Refuses to Take Insurance Business From City, Believing No Member of the Council should Have Unethical Dealings With the Corporation.

That a mayor should have no business dealings with the city in matters as small as an insurance policy involving less than a hundred dollars is the stand taken by Mayor Davies of Strathcona, as he showed quite unambiguously in last night's meeting of the Strathcona city council.

The question arose out of communication regarding compensation insurance. The city decided some time ago to take out a policy to insure themselves against damages from accidents to workmen on the Mill Creek bridge. W. J. Sheppard and McGee and Chavira, both showed the council the policy they offered for \$75. The day before, yesterday, Ald. Hankin received a communication from Toronto headquarters informing them the price was \$245. The interim receipt, however, was still good and the men already insured. Ald. Hankin thought they should stand against having a bill for some hundred odd dollars being sent in and on the other hand, having the policy cancelled. The receipt being produced, showed the policy was liable to cancellation on the company sending notice to that effect. The whole matter was referred to the public works committee.

How Information Came Out.
While Secretary Cox was out getting a copy of the receipt to submit to the council, some informal discussion took place on the terms offered.

Ald. Laughlin: You're an insurance man, Mr. Mayor, your company is—it is able to do something about this.

Mayor—Oh, yes. As a matter of fact we could give you a cheaper policy than that but we wouldn't like to do that. Some people might call that graft and I would rather not.

Board of Trade Grant.
The grant of \$5,000 to the Board of Trade at last week's meeting having been declared illegal by the city solicitor, Ald. Hankin gave notice that at next week's meeting he would move for the grant permitted to be made.

Deputations Received.
T. B. Morrow, for the Horticultural Society, told of the plans of the society for the present year. Last year, the Horticultural Society

gave \$52 in prizes the council giving \$15. This year it was the purpose of the society, to give \$100 in prizes. This was a good investment. Out of \$150 invested in prizes by the city the government would give back \$300 all of which would be spent in Strathcona. Mr. Morrow spoke particularly of the work of the society in keeping down weeds. Since weeds had been forbidden to graze on the streets, the weeds had become very troublesome particularly dandelions. Some fields grew enough dandelions to seed the whole of Alberta. He thought the large landowners came in for some censure in this matter as some had allowed weeds to run riot on their property. He urged the city very strongly to encourage that part of the society's work, which would do so much for the beautifying of the city.

W. A. D. Patmore pressed home the good work being done for the city by the Horticultural Society. He was sure any little outlay would be repaid a ten or a hundred-fold.

Will Hold Flower Show.
The purpose of the society is to hold a flower show extending over two days, whereas last year it had only been one day. There were no prizes offered last year but other expenses would have to be raised by the city. The government unit assistance in proportion to the amount actually expended on the prize list.

One hundred and thirty-one pounds of grass seed were received from the Strathcona-Blackman Co., enclosing an invoice for seed ordered last year, all of it was not used but held to the order of the public works department. Ald. Hankin was surprised at the amount.

Large Amount for Seed.
"Why one hundred and thirty-one pounds would seed down the city," said Ald. Hankin. The public works committee were pp in arms at once. "Well perhaps not all the subdivisions but the greater part of it," he modified.

A letter from Thos. Payne & Son, re coronation fireworks was referred to the reception committee.

The committee appointed to award the coal contract, recommended its being awarded to A. Joyce at \$2.50 per ton. The intention of the committee to award it to the Strathcona Carriage Co. was dropped. It was understood a week ago that White Star Coal would be supplied by the Strathcona Company but the committee were informed that the figure of \$3.15 tendered by the Strathcona Carriage Co. was based on Motivine coal. A question of Ald. Hankin revealed the fact that the contract had not yet been signed and the latter alderman withdrew his motion to accept the report and request. Ald. Radford, chairman of the committee, to merely report progress. A spirited discussion

tion took place on the price \$2.50 per ton. An Ald. Laughlin remarked, it could be bought for that in the open market. A reference to the tenders submitted, showed that taking all things into consideration it was the cheapest tender.

Mayor Davies in closing the discussion, pointed to the fact, that it was the wrong time of year to call for tenders—just when the roads were breaking up and mines shutting down. He urged some readjustment of the contract year so that contracts could be called for in the fall instead of the spring.

Ald. Hankin moved that the report should be referred back to the committee with the recommendation that the contract be made out for a shorter term—until the 1st of October. He later withdrew his motion.

Ald. Vogel made inquiries as to the roadway promised by Hon. A. A. Rutherford to join White avenue and run through his property. Nothing had been heard of it, although the property was now subdivided and on the market. The matter was referred to the public works committee.

ORDER HELD A MOST
SUCCESSFUL BANQUET

One Hundred and Fifty Persons Sat Down to Splendid Banquet Given by the Canadian Order of Chosen Friends Given in Oddfellows' Hall—Fine Program of Musical Numbers.

Edmonton Council No. 481, of the Canadian Order of Chosen Friends held a most successful banquet last evening in the Oddfellows' Hall. The banquet was preceded by the regular meeting, which commenced at 7:30, and at which no less than thirty candidates were initiated into the mysteries of the order.

The lodge was closed at 8:30 and the doors thrown open to the members and their friends, one hundred and fifty or about that number, a splendid banquet provided by the ladies of the order. After the banquet "The King" had been drunk with the customary honors. "Our Order" was proposed by Thos. Nabitt, V.C., and responded to by J. H. Mallet, provincial organizer, who, in an interesting speech, traced the remarkable growth of the order. "The Slater Societies" was responded to by Messrs. G. M. Hutchart, Elroy, and Umbach.

The ladies received many words of praise from Mrs. Rev. Hold, Foreman. The toast to "The Press" was proposed by A. Butler and responded to by one of the representatives of the press. Delightful music was provided by Mrs. E. H. Gurrion's orchestra, and splendid solos by Miss Patterson, and Messrs. Blackdale and Roberts. The Wells brothers were accorded much applause for a fine duet.

The local council has more than doubled its membership during the last two months and now numbers one hundred and fifty members.

EX-CHIEF LANCEY
BEGINS NEW DUTIES

The Chief Assistant to the Re-Organized License Force Will Be Staff Sergeant Nicholson of the R.N.W.M.P., who is Succeeding Constabulary With Constabulary.

Last night A. C. Lancy severed his connection with the Edmonton police department, over which he has presided for the past two years. Today he will be found at the Provincial buildings in his new capacity as head of the license department of the province, succeeding W. A. Doy in that position.

It is understood that the chief of the staff of License Inspector Lancy will be Staff Sergeant Nicholson of the R.N.W.M.P., who has resigned his position in connection with the constabulary. No definite information was obtainable yesterday as to the appointment of Mr. Nicholson, whose detective ability has won for him much praise while attached to the R.N.W.M.P., but it is said there is doubt as to his selection in connection with the license department.

A. Archibald Has a Preparation That Will Grow Hair Abundantly

This is an age of new discoveries to grow hair after it has fallen out today is a reality.

SALVIA, the Great Hair Tonic and Dressing, will positively create new growth of hair.

If you want to have a beautiful head of hair, free from dandruff, use SALVIA once a day and watch the results.

SALVIA is guaranteed to stop falling hair and restore the hair to its natural color. The greatest Hair Victor known.

SALVIA is compounded by expert chemists.

Watch your hair if it is falling out. If you don't, you will sooner or later be bald.

SALVIA prevents baldness by fastening the hair to the scalp.

Ladies will find SALVIA just the hair dressing they are looking for. It makes the hair soft and fluffy and is not sticky. A large bottle, 50c.

THE GREAT POWERS
AND DISARMAMENT

**U.S. Proposals Discussed in Three
Weeks of International Arbitration—
Parliamentary—Power, Continues
Arms—Statements by British,
French, and German Ministers—
then Press Questions.**

London, Feb. 28.—The American suggestion for the appointment of a British Peace Commission to act with similar commissions of other countries, in the furtherance of the principle of arbitration and international peace, has been brought to the front in a letter written by Sir Edward Grey, in reply to an inquiry on the subject from Mr. Robert Vernon Dunn, M.P., a member of the Council of the Inter-Parliamentary Union. The British Foreign Secretary said Ambassador Whitehead had conferred with him in the matter, when he informed him that his government had the deepest interest in the plan for an international agreement, and for this purpose could be prepared to enter upon a frank and full exchange of views with the United States Government in the subject, and to lend support to any well-considered and practical proposition that might be put forward by the American government.

Assaults Action by Congress.
Washington, Feb. 28.—The House of Representatives today welcomed the joint resolution of the Senate and House of Representatives, and would look forward with sympathetic interest to the commission arrived at by the proposed commission. If the latter were able to formulate a plan on definite lines, the same would receive most friendly consideration by the British government.

Millionaire in Germany.
Berlin, February 28.—The Reichstag today passed the second reading of the five-year military bill, which is designed to attract the army to the front, and to put the army on a permanent basis. There was no opposition to the bill, except on the part of the Socialists.

General von Hindenburg, Prussian minister of war, said he was

not been under careful consideration for many years. The project proposed Germany had made in the last few years, he asserted, was largely due to universal military service.

Other Powers Arming.
Herr Baumbach, the National Liberal leader, said that most universal peace could not be realized in the near future. France continued arming, Britain showed a tendency to increase her army and introduce universal military service, and the United States was developing an imperialism doctrine and was, he declared, adding a big navy to her commercial fleet.

Various other speakers referred sympathetically to disarmament. Herr Speck, clerical, said that the idea of disarmament and international arbitration must not be regarded as Utopian.

Dr. Otto Wimmer, Progressive, demanded that the Reichstag should discuss the problem of disarmament, and Herr Kordt, a Social Democrat, said that Germany's disarmament was developing in an armament measure, and not merely in a wave of the hand.

French Socialist Leader Moves.
Paris, Feb. 28.—The peace advocates in the Chamber of Deputies returned to the charge today. On January 16 the Chamber sent to the Committee on Foreign Affairs the resolution of the Socialist leader, M. Jaures, inviting France to join the movement, begun by the United States, with all foreign countries. This resolution was opposed by M. Pichon, the foreign minister. The Socialist deputy, M. Sembat, today submitted a motion inviting the government to such jointers, with the powers, particularly Great Britain and Germany, with a view to the simultaneous limitation of armaments, and in the meantime suspend the construction of warships advocated by the Minister of Marine on February 21.

World Endanger France.
Mr. Pichon opposed this as futile. He declared that the time was not ripe for such action, and that a step of this kind would seriously endanger the interests of France. The

question had been thrice shelved at The Hague. President Yaff, he continued, a great advocate of arbitration, had declared that the American plan must be developed. Germany similarly held grave doubts as to the greatest guarantee of peace at present. The motion was rejected by 232 votes to 137.

Eventually the government accepted a motion inviting a commission with the other powers with the object of securing discussion of The Hague of the question of disarmament. This was adopted by 447 votes to 56.

HAYTENS MASSACRE A TOWN.

Rebel Rebels at Quamnam, Then

Champlain, N.Y. Feb. 28.—Government troops, after reoccupying Quamnam from the rebels, put out of the control of their officers, pillaged and burned the town and massacred those of the inhabitants who were unable to escape. Jean Prosper, a citizen of France, was amongst the 18-year-old son killed and his mother killed.

The arrangements of Cape Town and Quamnam have been declared in a state of siege. There appears to be serious trouble at Port-Prince, the capital. The army is now here, but will proceed to that town.

Messages arriving here give the details of the recent massacre at Quamnam. The rebels captured Port-Prince and Quamnam. President Liberty set out for the district territory at the head of five columns of troops. As the army proceeded a large number of rebels were made and the subjects about to death.

The rebels were found in possession of Quamnam, and were offered resistance. No mercy was shown by the army's forces, and a bloody battle followed. The rebels were soon beaten back. The soldiers got out of hand and the news that followed were horrible.

MILION CHINESE GIRLS SOLD.

Slave Dealers From Prosperous Districts

Beijing, Feb. 28.—Relief authorities are warning that over a million girls have been sold in the famine districts of China. Slave dealers from more prosperous districts have flocked to the scene of privation and are engaged in a tremendous traffic. The girls are sold for as little as five dollars, and have the fortune to refuse food in exchange for their daughters. Most of the girls sold are mere children.

Atlantic City, N. J., Feb. 27.—Dr. Walter P. Conroy left this afternoon for Quebec, out of danger. The aged physician is improving steadily. Captain Victor Pelletier, his aide camp, will take Sir Alibon to his next week.

CHICAGO MAYORALTY
CAMPAIGN CLOSED

Most Exciting Political Fight in History of Windy City—Mayorality Campaign With \$100,000 and is fought by Eleven Candidates at Primaries.

Chicago, Ill., Feb. 28.—Today was the close of one of the most exciting political campaigns Chicago has witnessed in some years. Tomorrow will be the parties with final direct primaries for the nomination of candidates for mayor, city treasurer, city clerk and members of the board of aldermen. The mayoralty, which is for a term of four years at an annual salary of \$15,000, is the plum that is sought by eight politicians, both Democrats and Republicans. The name of one candidate, each for the Republicans and Progressives, will appear on the ballot, but neither of those parties is expected to cut much of a figure in the race.

The five candidates for the mayoralty nomination on the Republican side are Charles R. Merritt, John R. Scully, John H. Thompson, Tom Murray and John P. Smolke. Mr. Merritt is a professor at the University of Chicago and a member of the board of aldermen. He is elected as a Republican reform candidate. As an alderman he was chairman of the Commission on City Expenditures, whose investigation has resulted in the removal of several city officials in the last year.

John R. Scully, whose name appears second on the ballot, is a member of the board of aldermen and an experienced politician. The principal plank of his platform is opposition to the public service corporations.

Republican Progressive Candidate.
John H. Thompson, the third Republican aspirant for the mayoralty, is known chiefly as a proprietor of a string of popular restaurants. He has held no politics for some years and once served a term as county treasurer. In the first for the mayoralty he has the backing of Senator Loomis's chief lieutenants.

The candidacy of Tom Murray, who is fourth on the Republican list, is not taken very seriously. Murray is a clothing merchant and is noted for his unimpeachable character. He has never been a candidate for public office before.

John P. Smolke, the fifth of the Republican aspirants, is a veteran politician, who used to be state treasurer. He is said to be favored by Governor Deneen and his lead following for the mayoralty nomination.

Three Democratic Candidates.
The Democrats have three candidates for mayor: Carter H. Harrison, Andrew J. Graham and Edward F. Dunne.

Carter H. Harrison, who has already served two terms as mayor,

wished to equal the record of his famous father, who was elected five times. Behind the Harrison candidacy is the celebrated Keene-Coughlin First ward regency, a considerable portion of the old Harrison administration.

Andrew J. Graham the second of the Democratic aspirants, is a West-side banker who has figured in Democratic politics for a long time, but has not held office. He has the backing of the Democratic county organization.

Edward F. Dunne, the third Democrat in the field, was elected mayor several years ago on a municipal reform ticket. Before that he had been on the bench. When mayor he made a good record. He favored the union scale, and although the voted seventy-five per cent, and in his administration was passed along the people's reduction from \$1 to \$2 cents.

W. A. Brinkley is the only Prohibition candidate for mayor and W. E. R. is the only Socialist candidate. In addition to the mayoralty, keen interest is displayed in the aldermanic contest in nearly all of the city's wards. The aldermanic contests are more numerous than for many years. Particularly is this true on the Democratic side, where the latter and city battle has brought out Graham, Harrison and Dunne, aldermanic candidates in nearly every ward.

Before "Gray Wolves."
The reform organizations are putting forth efforts to defeat alleged "gray wolves," because the word board of aldermen probably will have to decide upon several important municipal issues.

Playing as leading issue in the reform and aldermanic contest, the reform organizations are putting forth efforts to defeat alleged "gray wolves," because the word board of aldermen probably will have to decide upon several important municipal issues.

Harry C. Dell Rushed Away From Tia Juana by Night.

San Diego, Cal., Feb. 28.—Under an armload of notes, Harry C. Dell, an American, accused by the Mexican authorities at Tia Juana, Lower California, of being a rebel spy, is on his way to El Paso, a trial in the Mexican court. He was taken from Tia Juana last night, placed on a horse and the overland route of 90 miles being at once taken.

He was not allowed by Sub-Treasury Jose Larroque to communicate with any of his friends at Tia Juana or on the American side, it is said.

All American newspaper correspondents in Tia Juana late yesterday afternoon were given the choice of remaining in Tia Juana and going to jail or returning to the American side of the line and staying there. Operations are being observed on the American line half a mile away.

ENGLAND CAN GROW
OUR NO. 1 HARD WHEAT

Cambridge Professor Cites Seventeen Years' Tests to Prove This, Canada's Great Test of Conditions Leading up to Reciprocity Agreement.

London, Feb. 28.—Professor Hutton, distinguished agricultural scientist of Cambridge University, reports upon the reciprocity arrangement as affecting British wheat. He discovered that the highly bred quality of Manitoba wheat is the result of the climate and fertile soil of Canada.

In the English counties of Lincoln, Shire and Surrey growers are producing similar hard wheats which fetch four shilling per quarter more than the ordinary English wheat.

He predicts that the expected British shortage of strong Canadian wheats as a result of reciprocity will result in a far more general cultivation of similar wheats in the United Kingdom, Australia and India, thereby increasing the demand of her present unique position in the wheat markets of the world.

Mr. W. L. Griffith, permanent secretary of the Canadian Government office here, gave an address before the Faculty of Commerce of Birmingham University today in the course of which, in view of British misapprehensions of the Canadian policy, he detailed the steps leading up to the present reciprocity agreement. The Churchmen of Glasgow, Sir John Loder, and the Lord Mayor were among those present.

Mr. Griffith indicated the great prosperity Canada derived from foreign reciprocity. In his youth the dominion of the Austro-Hungarian Empire was thought to be impending. Yet that Empire remained solidly until it was fifty years old. It was wise to take short views in such matters. Their fellow-subjects in Canada, with their lawless liberties and religious, could easily be depicted upon to maintain British institutions, the continent of North America in their integrity and for all time.

British Captain Files Petition.

New York, Feb. 28.—Capt. Charles Glen Collier, a retired officer of the Cameron Highlanders of the British army, and former husband of Miss Cathie Schenk, a society woman of New York and Newport, filed a voluntary petition in bankruptcy in the United States circuit court today. He gave his liabilities as \$114,444 and assets at \$123,724. The social sets of England and this country were keenly interested in the wedding of Miss Schenk and Captain Collier in 1904. Three years later Miss Schenk obtained a divorce.

KILLED BY FORMER FIANCEE.

Seattle, Feb. 28.—While her three little children, while with night, watched the tragedy they were powerless to prevent Mrs. Frances Hecche, aged 35, was shot to death in her home at Seventh avenue and Jefferson street, by Tony Anden, a former sweetheart, at seven o'clock last night. Anden then turned the weapon on himself, inflicting wounds which will cause his death. Anden and Mrs. Hecche, friends, had been sweethearts in the old country. Last night Anden called at the house, and after dining at the table with Mrs. Hecche, he went to the kitchen to talk with her while she washed the dishes. Mrs. Hecche steadily refused his advances.

Suddenly the other occupants of the house were aroused with the sound of three shots fired in rapid succession. They rushed to the room and found Mrs. Hecche lying beneath the kitchen sink with a bullet wound beneath the left of the left ear. She died instantly. Anden was in the middle of the floor, shot in the mouth with the revolver still clutched tightly in his hand. The three children were huddled closely together, cowering in the kitchen table.

A Food
Expert

In making the world-famed food—

Grape-Nuts

Combined whole wheat and barley in such a way that it is purely digestible before being eaten.

The distance in the barley, in the presence of heat and moisture, changes the more or less indigestible starch part of the grain into an easily digestible form of sugar—just as the process of the body change it if they operate properly.

Thus the expert solved the problem of perfect digestion for those who may be below par.

"There's a Reason"

For

Grape-Nuts

Canadian Patent Food Co., Ltd., Windsor, Ontario.

"Parkdale"

A Sub-division Practically in the Centre of Strathcona to be Sold at Remarkable Prices

In times of stress when cities are coupled with big Real Estate movements further opportunities arise to increase the Bank Account of the man or woman who is wisely awake enough to seize the lightning chances that come their way.

One of these great opportunities is being thrown at you now and we offer you lots in PARKDALE—a site that commands admiration at prices and terms sufficiently low and easy to meet the desire of every one who is striving to better himself or herself.

PARKDALE is city property not mulling land—a very close to the car line and commands an excellent view of the surrounding country to the west.

Some Features of Interest

Connections for sewer, water and light and telephone are now complete. The street car runs within 2 blocks of Parkdale.

The new Duggan Street School is adjacent in the north-east corner.

This very attractive property is bounded on the east side by the Calgary and Edmonton trail and on the north by University avenue.

an extent hitherto unexcelled in the Twin Cities. Its future is already assured, and, with the culmination of the "Pine Cities Union" and the completion of the High Level Bridge the value of these lots will be so materially advanced as to ensure the holders a comfortable competence whenever the desire comes to part with them.

The lots we are now offering you today are all high and dry—their adaptability to high-class residential sites being augmented by the built-up lots and other social activities surrounding it. Allow us to suggest you call in and see us—talk the matter over and then see if we cannot do something for you that will appeal to your idea and pocket.

PARKDALE is situated 5 blocks from White avenue. Post Office is less than half mile from the property. Only 2 miles from Edmonton and a little over half mile from the station. And is within a stone's throw of the city park.

The prices are \$200 to \$400 per lot. Terms, 14 cash; balance 6, 12 and 18 months; interest 8 per cent.

Any Other Particulars Concerning Parkdale, Prices and Plans of the Sub-division, can be obtained on application to

Realty & Financial Brokers

JOHN MORRIS

EDMONTON

122 McDougall Avenue

REAL ESTATE BUSINESS

Today, Jasper Avenue West and spur track property are in good demand for business purposes, with Groat Estate and Glenora for residential.

Prospects for an exceptionally good spring trade grow brighter daily, being evidenced by the live demand for business property.

The fine weather now prevailing will create a rush for houses in a very few days, and as our list has been carefully compiled, we shall be pleased to have prospective purchasers call and inspect it.

N.B.—The two Jasper Avenue lots listed here yesterday were sold today.

ALBERTA PARK

Until the snow is gone and we can take our clients over this property we can only give them a general view of it from Alberta Avenue, but as we are prepared to guarantee any purchases made in the meantime there should be no hesitation in making any desired purchases.

TODAY'S OFFERINGS

BUSINESS PROPERTIES.
A 50 ft. lot on Jasper Avenue, lot 10 on Jasper Avenue in Block 6, \$48,000.

RESIDENTIAL PROPERTIES.
1 9-roomed modern house, \$5,400.

A 2-roomed modern house, each \$4,800. On a double corner, very well located.

An 8-roomed modern house in Great District, with five place, laundry in basement, \$6,800.

A 12-roomed modern house in the west end with two small houses on rear lot, for rent at \$25 per month, \$5,500.

FARM LANDS.
We have a large lot of farms in all parts of the Edmonton district, for sale or lease. We are publishing a special list of these for general distribution. We shall be pleased if any who have much for sale will give us particulars sufficiently definite to enable us to send them land in this publication. An early response is requested.

ONE STOCK.
We are still having all the American shares offering.

SCRIP.
Dealers in the Coast are now bidding for our A. Scrip, but we are holding our scrip for our own demand, which we anticipate will be heavy in a few weeks.

H. H. Scrip also on hand.

LOANS.
We promptly secure loans for our clients at current rates on most security.
